Gotham Lad a Regular "Iron Man." President Weeghman So Advised by Attorneys-New York Yanks Still Unsold-Griffith Claims 1915 Pennant for Senators.

NEW YORK, December 25.—Kid Williams, of Baltimore, the bantamweight champion, proved a real title holder against Johnny Daly, of New York, in a slashing ten-round battle at the Pioneer Athletic Club this afternoon, Williams won all the way, and would have stopped the game little Gotham boy had not the latter proved a regular iron man.

Every round was the same. Williams kept forcing the fight from start to finish, and nearly always had Daly lacking up and covering. Only in flashes did the home lad open up and fight back.

In the ninth and tenth periods the champion tried hard to stop his little opponent, but he couldn't hit hard enough to accomplish his task. Daly left the ring with his face and body badly marked up from the punishment he received.

The official weight of the bays was; Williams, 1163-4 pounds; Daly, 112 pounds.

Teddy Jacobs out pointed Frankle Brown in ten rounds in the main bout at the Longacre Club this afternoon, Among Jacobs's seconds was a pretty young girl who kissed him in the ring just before he started the milling, and who kept shouting words of encouragement to him during the battle.

Young pitchers were very fortunate in getting the better of battles with Walter Johnson last season. Walter was compelled to twirl against youngsters in twenty-five games, and on thirteen occasions he suffered defeats, and he won eleven times.

To the Athletics went the credit of giving Johnson his worst defeat of the year. On August 20, when the White Elephants were on their wonderful winning streak, they hammered Walter's delivery for nine runs and hings. Seven of these runs were made in the fourth session as the result of a batting bee.

Jack Fournier probably made the best record ever secured off the speed marvel. On August 31 Fournier tied the score in the seventh inning with a home run, and in the fourteenth he won it with another homer off Walter, Weldon Wyckoff, of the Athletics, had the honor of twice defeating Johnson last season. He did it on April 28, when the score was 2 to 1, and he repeated on September 9, when the score was 9 to 4. Carroll Brown and Joep Bush worked in a victory over Walter beated on September 9, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, and Pennock took the speed marvel's measure by 3 to 2 on September 30, when the score being 7 to 8, a

## ATHLETIC EVENTS TO BE SHOWN BY THE MOVIES

Jack Herman, the Well-Known Promoter, Will Stage Events Between Best Performers and Champions.

ALL BRANCHES TO BE FEATURED

Boxing, Wrestling, Billiards, Track and Field Sports, With Bicycle and Automobile Racing, Will Be Displayed Upon the Screen.

The screen whereon the movies are seen is ever calling for something now to give the patrons of the thousands of picture shows. This time the best of all kinds of athletics and contests of skill have succumbed to the call and joined the already long procession of other things featured by the film.

The wrestling mat, the billiard table record-breaking athletes and speed specialists will all contribute to the thousands who have never had an opportunity to see the stars of the athletic world in action. The champions of the whole earth will be brought within the reach of all and the "ringside" will be wherever the celluloid strips are run upop the screen.

The Selig Polyscope Company has conceived the idea and the management of all the contests have been placed in the hands of Jack Herman, a notable promoter of athletic events. Herman will no longer have to promote shows in collseums, armories or baseball parks, but he will give purses for the best and most scientific work that can be had for the films.
